Dear Parents/Carers

Further to our communication on Friday, we are writing to explain to parents that Mr Baugh's decision to leave was made for personal reasons and was not something we had planned for. We recognise that the suddenness of his departure is difficult, and the recent changes in leadership are unsettling generally. We are sorry for any worry or confusion this may have caused for pupils, parents and staff.

We would like to reassure you that, as a Governing Body, the wellbeing and stability of the pupils is always our top priority and remains central to every decision we make. Although there have been changes in leadership, the teaching staff across all classes remain consistent, and we are confident that the children's education and classroom experience continues to be uninterrupted.

We are working extremely hard with the Local Authority to agree alternative interim leadership arrangements and will update you all as soon as possible. We appreciate your patience and understanding while this process takes place.

In the meantime, all dates in the calendar will go ahead as planned. We are currently looking into how we can ensure that the After-School football sessions and forthcoming football tournament can proceed and will update parents once we have a plan.

If parents have any specific questions or wish to discuss anything in more detail, please do not hesitate to get in touch by email and we will respond directly.

Kind regards

*Sarah Tomlinson*
