Mr. Dylan Williams: Headteacher

TheSchoolApp

PrimarySite

Dear Parents/Carers

Our methods of communication are by app message and email via our website provider, PrimarySite, as these are the most environmentally friendly, efficient, cost effective and also avoid the possibility of "lost papers". We send a weekly bulletin via email, regular updates/reminders via app messaging and also have a facebook page: "Ysgol Gynradd Bwlchgwyn" as well as a See Saw blog for teaching and learning updates.

The PrimarySite communication system is a smartphone app which is free to download and works with iPhones and Android phones. Please visit [theschool.app](https://www.bwlchgwyn-school.co.uk) for more information.

Benefits of the app for Parents and Carers.

- The app is secure; you set up a PIN/ Touch ID to access on your phone
- The app is powered by our school website which means that when you download it, you will have a single place to receive and access important messages along with, newsletters, latest news and all information pages within the school website.

To set up the App

- Please complete the attached permissions slip and return to school as soon as possible so that we can send you an invitation to download the app to ensure you are receiving all communications as soon as possible.
- Download the app by visiting your app store and searching for TheSchoolApp or simply scan the QR code below using your mobile device

To keep you fully update, it is important that we have the most up-to-date parent/guardian contact details and emergency contacts for your child. If any information changes throughout the school year, please notify us immediately.

Please feel free to contact the school office if you need any further information about this service.

Thank you for your co-operation with this enhancement,

DR Williams

Headteacher
