

Mathematical Development

- Adding decimals within 1
- Subtracting decimals within 1
- Complements to 1
- Adding decimals – crossing the whole
- Adding/subtracting decimals with the same number of decimal places
- Adding/subtracting decimals with a different number of decimal places
- Adding and subtracting wholes and decimals
- Decimal sequences
- Multiplying/dividing decimals by 10, 100 and 1,000
- Properties of shape
- Co-ordinates
- Position and direction
- Measures and volume
- Converting units and measurements.

- Problem solving using equivalent fractions
- Mixed addition and subtraction problems
- Multiply and divide fractions by whole numbers
- Multiply and divide fractions by fractions
- Four rules with fractions
- Fraction of an amount - finding the whole
- Adding and subtracting fractions with different denominators
- Multiply and divide fractions
- Calculating with decimals
- Calculating with percentages
- Understanding algebra
- Solving problems involving converting between units of time
- Area and volume
- Solving problems involving ratio and proportion.
- Measures and volume
- Shape and co-ordinates using the four quadrants.
- Problem solving/outdoor maths

Language Literacy and Communication

- Historical report writing and performing - The conquest of Wales
- Instructional writing practise – how to make a terrarium.
- Scientific observational writing.
- Scientific report writing.
- Oral performance of hunted narratives – using pitch, power, pace.
- Exciting sentences continuation
- Guided reading – Orphans of the Tide. – Inference and deduction.
- Debate/discussion – ethical concerns – nature vs nurture.

Science and Technology

Following children's 'BIG QUESTIONS'. – Areas of interest include;

- Geological make up of Wales.
- Wales' industrial revolution – slate.
- Return to mining and Wales' cottage industries.
- Ecosystems and how everything links together.
- Children will complete independent 'scrap book activity' following focus lessons – on the evolution of organisms, classification, ecosystems, animal and human cells, DNA.
- Layers of the sea/earth/planetary influence. Mountains and tectonic plates
- Rocks and geology.
- Use of the Microbit for tracking pulse and humidity.
- Topics will evolve based on children's interests.

Humanities

- Independent scrap book activities – children engage in research project cumulating in research ideas displayed as they see fit.
- Ideas from humanities skills are linked to areas from Science and Technology – geological Wales.
- Earths layers; biological organisms; evolution etc.
- History of Wales – Principality.
- Castles and their geological positioning.
- Return to mining and the history of the industry.
- History of Wrexham football club and the Race course.
- Wales training top with Celtic patterns? Research?
- Geological makeup of Wales that made it suitable for mining.
- RSE – The role that 'water' plays in a variety of religions – eg – Christianity, Judaism, Hinduism and Islam.

Health and Wellbeing

- Weekly circle time
- School voice councils – eg Criw Cymraeg, BDL etc.
- Safer Internet Day
- Mental Health week.
- Eisteddfod activities
- Robinwood residential
- Start of transitional activities KS2

Expressive Arts

- Eisteddfod Cymraeg. – Children invited to take part in creativity competition.
- Dawnsio Gwerin
- Independent scrap book creation using a variety of artistic ideas to emulate.
- Graffiti and the Wrexham mural art as inspiration - Dime One potential Community project.
- Mikey Jones - local artist.
- Declan Swans - local musicians
- Gresford mining anthem.

CROESO I GYMRU

Dear Class 3 Parents

Here is an overview of the predicted skills and interests we will be studying for the Spring term and into the Summer term 2026. The topics are planned based on the children's big questions, and we have lots more local questions this time around. We are still interested in the Welsh mines, alongside Welsh history and our rather famous football club. Hopefully their ideas will produce lots of lovely writing, an understanding of Welsh history and new information learnt from our local area. These ideas may change and adapt with the children, but we hope to be able to share our learning journey with you all later in the year.

Croeso i GymruDosbarth 3; We would like to learn.....

Why was Wales named "Wales"? Eva+Immy	Why does the football kit from Wrexham have Celtic patterns on it Lilly and Oliver R	What year was Wales found? Esme and Liam	When was Wrexham football club made?
How many mines are there in wales? Leo and Ruby		Who was the first owner of Wrexham afc? Woody and Imogen	Why are sheep native to wales ? Oliver and Lilly-mae
How come they changed the race course to a football stadium 🏟️ Leo and Ruby	What is the capacity of the Wrexham afc stadium. Imogen and woody	Why do people wear red instead of white and green Zoscha	How many years have people lived in wales? Ava
Why do people wear red for Wrexham	How many castles are there in wales. Ava	How did they support the minds in Wales? Liam Esme 🤔	Did Wrexham afc change the name ? Imogen and woody
Why is the welsh dragon red??? By SerenW and Taylah.	Who was the first king or queen of Wales call and Dylan	Is ther a town centre in Wrexham tomi	Why is there a prince of wales ? Oliver and Lilly-mae
What is the rarest fossil wales has found Eva .	How many castles are there in Wales? Liam and Esme 🤔	Who was the first person to discover wales ? Eva+Immy.	why do daffodils grow in wales seren w and aeira
Why are the main colours red, green, yellow and white in Wrexham. Oliver and Nancy		What is wales history Oliver and Nancy	Where did our language come from? 🤔 Liam
What is so good about the wales flag Imogen and Woody.	Why is fossil forest have lots of fossils in the area?oliver R and Lilly mae.		
why are the dragons red and white	Why is the dragon on our flag? 🗣️		
Why are their orcas in the sea next to wales	When was "Wales" established? Immy+Eva		
What is the population of orcas in wales Imogen and Woody	Who was wales first king		
Who named wales wales? Ava	Who was the first person to go into a mine Leo and Ruby 🤔		
	What is the best food in wales Dylan and Cali
