Photograph and Media Consent Form

Occasionally, we may take photographs of the children in school. These photographs may be used to record activities and evidence achievement, many of which will be displayed in class and on notice-boards around school. We may also use these images in our school's prospectus or in other printed publications that we produce, as well as on our website/facebook page. Photographs may also be submitted to the local or national press to celebrate success and promote our school. We may also record school performances as well as make video recordings for school-to-school conferences, monitoring learning or other educational use.

To comply with the General Data Protection Regulations, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, sign, date and return to school as soon as possible

Many thanks
